

# AGENDA

## of the II International Ural Conference on MEASUREMENT: STATUS AND PROSPECTS OF DEVELOPMENT

10.00-12.00

### October 17th

CONFERENCE OPENING. PLENARY SESSION (Room 1007, Main University Building)

**Papers:**

- ✓ **Roald Evgenievich TAIMANOV** – Head of the Laboratory at D.I. Mendeleev Institute for Metrology (VNIIM), member of the Metrological Academy, member of ICMI Committee, Saint Petersburg. Developing Models of Measuring Human-Related Multiparameter Values
- ✓ **Hristo Kiril RADEV** – Doctor of Sciences (Engineering), Professor, Chairman of the Bulgarian Union of Metrologists, Sofia, Bulgaria. On the Selection and Application of the Associated Feature When Evaluating the Form and Location of Surfaces and Axes of Workpieces
- ✓ **Alexander Leonidovich SHESTAKOV** – Rector of SUSU, Doctor of Science (Engineering), Professor. Review of the Methods of the Dynamic Measurement Theory

13.30-15.30,  
16.00-18.00

Section «Methods and Algorithms of Measurement Information Processing»  
(Room 1007, Main University Building)

13.30-15.30

Round table «Measurements in Social and Humanities Field» (Room 1001, Main University Building)

### October 18th

10.00-11.00

PLENARY SESSION (Room 1007, Main University Building)

**Paper:**

- ✓ **Manus Patrick HENRY** – Ph.D., University of Oxford, Oxford. Measurement Validation for the Internet of Things

10.00-12.00,  
13.30-15.30

Section «Metrological Support for Measuring Instruments and Measuring Systems»  
(Room 1001, Main University Building)

11.00-12.00,  
13.30-15.30

Section «Methods and Algorithms of Measurement Information Processing»  
(Room 1007, Main University Building)

10.00-12.00,  
13.30-15.30

Section «New Methods and Instruments of Measurement» (Room 1001, Main University Building)

10.00-12.00,  
13.30-15.30

Section «Technical Diagnostics and Metrological Self-Monitoring of Measuring Instruments and Actuation Devices» (Room 1001, Main University Building)

10.00-12.00,  
13.30-15.30

Section «New Measurement Technologies in Industry» (Room 1001, Main University Building)

13.30-15.30

Section «Dynamic Measurements» (Room 909, Main University Building)

16.00-17.00

CONFERENCE CLOSING (Room 1007, Main University Building)
